STUART HUNTRISS

Birkenhead Park's oldest known surviving player Stuart Huntriss has sadly passed away at the age of 96. Stuart was a fine three-quarter for Park and Cheshire in the post war period playing principally on the wing. He was a playing colleague of fellow Cheshire players Norman Steel, Ken Carr and David Greville to name but a few.

Stuart attended Birkenhead Institute where he was an outstanding athlete, rugby and soccer player. Following his Park career Stuart played for the Old Instonian along with his brother Brian. Stuart captained the Old Boy's in 1951/52 and 1954/55 seasons and always maintained his connections with the Old Instonian Association. He was instrumental in founding the Rotary Club of Willaston and South Wirral of which he was President.

Stuart was also a life long supporter of Tranmere Rovers where he became the longest season ticket holder.

Stuart had attended a number of Park player's reunions in recent seasons and he will be well remembered at the Club particularly by our older members. Our condolences go to his family and friends.
