Annual Celebration Match

PROGRAMME

ADMISSION 20P

On behalf of the Wirral Clubs we would like to welcome all spectators to the Old Instonians this afternoon. Following the success of last year's very entertaining game at Old Parkonians, to commemorate the Centenary Year of Cheshire R.F.U., it was decided by the ten clubs concerned to make it an annual affair. It is not only an opportunity to see the rugby talent in the area but a social occasion which should help foster good relations between the clubs. Next year's game will be hosted by Rockferrians to help celebrate their Jubilee Year.

As last year, we have invited the whole of the Cheshire Selection Committee to view the talent which abounds in the local clubs. We have taken the idea a step further and arranged a game for a 'Wirral Select' side to play a representative side from the clubs in the East of the County, to be played at Winnington Park on Sunday, April 9th, kick-off 3.00 pm. The ultimate objective is for a combined side to play the proposed Cheshire side at the end or beginning of each season. This will not only provide a stern test for the County team but a chance for players from 'Junior' clubs to come into contention for selection.

We hope everyone enjoys the game and that the quality lives up to the high standard played each Saturday by all the clubs on the Wirral.
