PROGRAMME NOTES

This evening we welcome both Finalists for the **DAMAR FLOODLIGHT TROPHY**, and wish both good luck in their encounter, which we trust will be played in a manner that will bring credit to all and Rugby Football particularly so.

The competition for the Damar Trophy has created great interest in the Wirral, and it is a pity that this season due to inclement weather the continuity of the competition has suffered, which has lessened the usual exciting build up to the Final.

We hope this evening (business permitting) to welcome Mr. and Mrs. David Perry of Messrs. Damar Cards Ltd. who will present the trophy, and would like to take this opportunity to express our appreciation of their generous contribution to the Clubs, which in this amateur world of rising costs is much appreciated.

LOCAL CLUBS WHEN TRAVELLING TO AWAY GAMES ARE INVITED TO CONSULT WITH DAMAR TRAVEL FOR COACH ARRANGEMENTS, WITH COMFORT AT COMPETITIVE RATES.
