FESTIVAL MATCH

On behalf of the participating clubs we welcome you to our ground at Hoylake this afternoon.

This is the fourth year of this Wirral fixture, and we sincerely hope that it has now become a regular feature in our programme. It is described as a Festival Match, hopefully to create the right spirit for the occasion - a match to be enjoyed by spectators and players, to demonstrate all that is good in our game.

Officials of participating clubs are justly proud of the fact that we provide rugby facilities for upwards of 1,000 men - young and not so young, each week of the Season.

We see and hear much about the problems of youth to-day, and very little about the good, which far exceeds the bad.

So let us, on this occasion take pride and pleasure in the good fellowship our game inspires.

Next season your hosts will be Oldershaw.
